

Friends of Engine Lonning Expression of Interest Form

Do you have a passion for railways, enthused about wildlife conservation, or simply have a few spare hours to contribute to an exciting community project? If so, we would love to hear from you.

To get this project kick-started we are setting up a new community group called the Friends of Engine Lonning. This group will be integral to the success of the project. You will work with partner organisations to help develop ideas, and deliver a range of activities at Engine Lonning. Please complete the following fields if you are interested in finding out more.

Name

Your phone number

Occupation

Full or part time

Email address

Postal address

What skills do you think you can bring to this group? eg: Admin, IT & Computing, Wildlife identification, ecology, local history etc.

What skills would you like to obtain or develop from being involved in this group?

Do you have any specific qualifications or interests that may be relevant to this project?
Anything else you would like to tell us about yourself?
